

EVERY DROP. BEYOND LIMITS.

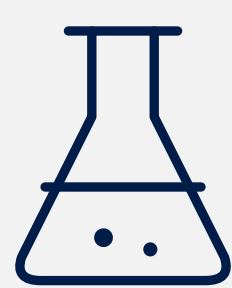

ABOUT SHUOHTAY

Since 1990, ShuohTay has specialized in industrial lubricants, metalworking fluids and food-grade white oils. Our VALID range combines European chemistry with Taiwan engineering.

MORE THAN A CONSUMABLE.
A MANAGEABLE RESOURCE.

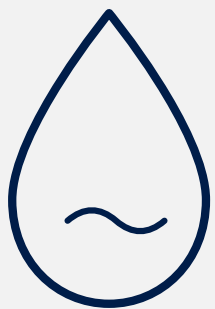

SHUOHTAY ENTERPRISE CO., LTD.
SINCE 1990

WHY SHUOHTAY TAIWAN?

European Sourced Chemistry

Consistent
quality and
purity.

Hard Water Stability

Stable across
varied water
hardness.

30+ Years Expertise

Proven
formulation
know-how.

Technical Support

Guidance and
troubleshooting.

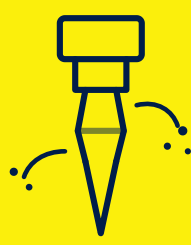

ShuohTay
LUBRICATION

ShuohTay VALID fluids use plant-based, eco-friendly chemistry for longer sump life and lower consumption — reducing fluid purchases, waste, and environmental impact per part. ShuohTay is ISO 9001-certified, conducts GHG inventories per ISO 14064-1, and its products are SGS-tested and RoHS-compliant.

**EUROPEAN

**TAIWAN
ENGINEERED**

**GLOBAL
SUPPORT**

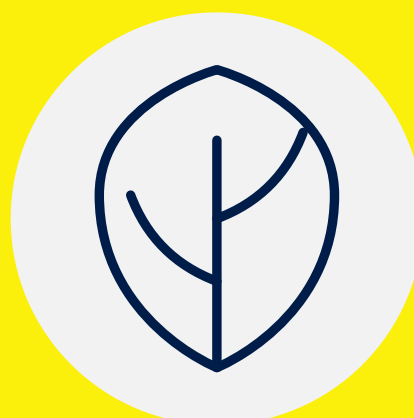

SUSTAINABILITY & COMPLIANCE

Safe for operators, responsible for the planet — plant-based chemistry for long sump life, lower consumption and less waste.

ISO 9001 / ISO 14064-1 / SGS / RoHS

**SAFE FOR
PEOPLE**

**RESPONSIBLE
FOR PLANET**

**FOCUSED ON
PERFORMANCE**

STABLE MACHINING STARTS WITH THE RIGHT FLUID.

SHOUHTAY VALID SERIES

STRONGER COOLANT.

BETTER MACHINING.

HIGHER PERFORMANCE.

WATER-BASED METALWORKING FLUIDS

500

**CARBON STEEL / CAST IRON /
MULTI-METAL**

VALID
SUPERCUT

Strong cooling, rust protection and
low foam in soft or hard water.

- **RUST PROTECTION**
- **LOW FOAM**
- **LOW CONSUMPTION**

1000

**GRINDING / PRECISION
GRINDING**

VALID
SUPERCUT

Excellent cleanliness, cooling and
complete tramp-oil rejection.

- **CLEAN COOLING**
- **TRAMP-OIL REJECTION**
- **EXTENDED WORKPIECE PROTECTION**

2000

**STEEL / ALLOY STEEL /
ALUMINUM**

VALID
SUPERCUT

Bio-stable multi-metal performance
with low total consumption.

- **BIO-STABILITY**
- **RUST PROTECTION**
- **LOW TOTAL CONSUMPTION**

630

**ALUMINUM / MAGNESIUM /
STEEL**

VALID
SUPERCUT

Hard-water stability, lubricity,
EP performance and oxidation resistance.

- **HARD-WATER STABLE**
- **OXIDATION RESISTANCE**
- **LOW USAGE**

NEAT CUTTING OILS

S650

Low mist / mild odor

S850

EP / superior finish

S900

Precision / very low mist

S950

High cutting power
